In an email from Kim Scammel, Diocesan chairpersons of organization (or substitute) have access to the reporting with which to encourage and monitor council participation and to extract the reports for your diocesan counterparts. Your encouragement is key gathering information of the breadth and depth of activities that our generous members perform in their councils! Let us all be proud of what our parish –based communities have achieved in 2020 despite the impact of COVID-19.

## Membership

A reminder that memberships were due January 1st and should be sent to national by February 28<sup>th</sup>. Please make sure to personally contact lapsed members as well as enlisting new members and renewing past memberships. Make sure to promote the League to recruit new members. The operation of diocesan, provincial and national levels

are dependent on these fees. As Fran Lucas says in her communique: Online membership is the most efficient way to keep council membership information updated and submit per capita fees during this pandemic. Please make sure to work with your councils to do so.

Please keep checking out the national website [www.cwl.ca](http://www.cwl.ca) once a week for updated information. The new tab on the home page **To Inspire** is a direct result of the marketing working group's efforts for the strategic plan. Fran Lucas states there will be much more to come in the weeks and months to come.

### **Leadership**

Please keep parish councils informed on the work being done with the seven working groups of the strategic plan implementation committee.

May Our Lady of Good Council guide you in all your good works.

President-Elect and Chairperson of Organization
