

I hope and pray you had a restful summer and are ready to continue our important work for God and Canada.

Involving your members

"Tell me and I forget

Teach me and I remember

Involve me and I will learn." Benjamin Franklin

Find creative ways to involve ALL your members.

Conventions

Please encourage every League council in BC and Yukon to attend the Kelowna provincial convention June 19-21,2024. I would really like to boast at the national table that with God's help all 119 councils sent a member to the convention. We can do it ladies and when we do we will have made history!

I hope by now every BC/Yukon parish council has a convention fund established.

National convention

Many of you attended the Saskatoon convention. The Saskatchewan ladies really put on a wonderful convention. It was inspiring, informative, with beautiful Masses, speakers and wonderful entertainment. Next year it is in Toronto.

WUCWO (World Union of Catholic Women's Organization) will be having their meeting the day before (August 10th) the national convention so do try and attend both meetings.

New Contest

Contests have been a big hit in the past. Within weeks I will be promoting another contest. Watch for the details!

Social Media

Please encourage your members to use the national website and use Facebook, Twitter, Instagram, Pinterest and Youtube

Please remember

Our national theme is Here I am Lord, Send Me with a focus on mental health. You will be asked questions on the annual report regarding your focus on mental health topics. Some suggestions include having speakers come in, writing to the provincial and federal governments asking for more support for the mentally ill, calling the mental health organization in your town and asking how you can help. What will your council do this fall to promote good mental health in your community?

Protocol Please remember to use protocol when dealing with issues. If information is needed at the parish level you contact your parish president, The

parish president if she needs more information contacts the diocesan president, and the diocesan president can contact the provincial president if she needs more information.

Only the provincial president contacts the national president. Also remember the mentoring skills bank at the national level. This is for someone that is struggling in their position at any level.

Blessings to all of you and may Our Lady of Good Counsel pray for all of us.
